## ARTS COUNCIL

# 2008 - 2009 Season

## Season Passes Now on Sale

From the vocal play of International recording artists **Naturally 7**, to the lighter than air theatrical entertainment of the **Fred Garbo Inflatable Theater Co.**, followed by the acclaimed West Virginia bluegrass musician **Johnny Staats** and his band, to an evening of unique entertainment by Lewisburg's Lynn Wright and Adam DeGraff of **Pianafiddle**, the **Bridgeport Arts Council 2008 - 2009 Season** promises to be wonderfully entertaining. The season pass offers reduced admission to all four **BAC** events. A family pass will allow your entire family to attend at a special low price. Come and experience the arts and support your community arts organization. Through grants, funding from the City of Bridgeport, company sponsors in the community and individual donations, the Arts Council is able to bring quality entertainment to you!

Your support of Arts Council programs also allows us to bring residency activities to children in Bridgeport area schools. Our prices have remained the same since our inception in 2004. This year, due to rising costs and higher quality of performances, we have slightly increased the cost of season passes. The Arts Council strives to provide affordable family performances.

**Important note:** Season pass seats will be held until 15 minutes prior to the performance. If you are unable to attend a performance, this year we are providing individual event tickets which may be gifted to another party.
